

Dear Job Seeker:

Tata Housing Development Company Limited ('**THDCL**') is part of the Tata Group, having real estate projects all over India.

- As a socially aware and responsible organization, we would like to spread a word of caution amongst all job seekers.
- Our attention has been drawn to some fraudulent individuals / agencies / job portals approaching job seekers through emails/ sms/ links on WhatsApp, etc. and offering job opportunities in various Tata companies and demanding money by way of a refundable security deposit or other fees. Offers are also being made on fake letterheads using the TATA Logo and fraudulent signatures of HR department personnel of various Tata companies.
- Please note that THDCL follows a merit-based recruitment process and does not demand / accept any money whether by way of security deposit or otherwise from applicants for jobs.
- If anyone receives an interview call or letter stating that it is from or for a Tata company, he/she should immediately check the authenticity of the same and refrain from submitting any original documents or making any form of payment, either in cash or through bank remittances.
- Anyone dealing with such fake interview calls would be doing so at his / her own risk and THDCL will not be held responsible or liable in any manner for any such loss or damage suffered by such persons, directly or indirectly.
- In case of any queries please contact us at 022 66614444.
